Hi Stephanie-

After just talking with Kathy and I about schedule, I realized I didn't give you a date by which we'd like a first draft. I'll let Kathy weigh in, but wondering if you think you can put together a draft by early next week (Mon-Tues). If you're back in the office tomorrow, it might be good for you to touch base with Kathy to get any specific guidance from her re what to include in the table and level of detail.
